## DON (Vomitoxin) Testing

### Foreword

The DON (Vomitoxin) Handbook has been established to consolidate instructions for performing DON testing. This handbook illustrates step-by-step procedures for testing and certifying grain for DON.

All official inspection personnel authorized or licensed to perform DON testing shall reference this handbook for procedures.

This handbook supersedes FGIS Directive 9180.57, "DON (Vomitoxin) Testing Service", dated, 4-3-00.
